We are so grateful you are considering being a sponsor for this 5k event! Christian community service opportunities, Christian family events, local investment in Christian organizations, and involvement by Christian leaders help shape the landscape of our thriving city. This includes the public support we give to help those who are struggling and leading by publicly demonstrating our support. New Salem Baptist Church (NSBC) and the Active Faith Ministry would like to welcome you to come along side us in our 2nd annual Spring Into Service 5k event in support of the Christian Women's Center (CWC). At New Salem we believe you serve God by serving others (Matthew 25:35-40). NSBC's Active Faith Ministry is honored to have the opportunity to bring the community together to share the Gospel of Jesus and to support the ongoing community support and engagement efforts of the CWC. The Christian Women's Center W.O.W. program is a 12 month discipleship program that offers refuge to women in crisis believing these women can be restored to physical, emotional, and spiritual well-being through the love of Jesus Christ. We are sure you would agree this is a critical need in our community. I am including additional information about the CWC within this sponsorship packet.

Our first priority for this event will always be to have the opportunity to make much of Jesus and share the Gospel of Jesus Christ with our community. Secondly, we hope to raise as much money as possible to support the CWC and help them continue sharing the love of Jesus and helping those in need. All proceeds above and beyond race expense will be given directly to the CWC. This is why we need sponsors like you! There are several levels of sponsorship available to fit individual needs. We ask you to prayerfully consider your gift. We would also love for you to share this event as much as you can! Invite your family, friends, co-workers, neighbors, and church family to sign up and participate! This packet contains a flyer that can be displayed in your business for advertising the race. Sharing on social media platforms is also a wonderful way to support our race. Let's make a big impact in our community, support the efforts of the Christian Women's Center, and share the love of Jesus within the mission field of Griffin, GA!

In Christ,

## The CWC W.O.W. Program

The Christian Women's Center W.O.W. program is a 12 month discipleship program that offers refuge to women in crisis believing these women can be restored to physical, emotional, and spiritual well-being through the love of Christ. The crisis could be abuse, prostitution, neglect, homelessness or any combination resulting from drug or alcohol addiction. We help women achieve life change by demonstrating to them the love of Christ through unconditional love and acceptance. We provide one-on-one biblical counseling, group addictions counseling, career readiness classes, health screenings, parenting instruction (as needed), life skills, Bible studies, opportunities to volunteer, wellness education/exercise and partnerships with community services for our residents.

The acronym, WOW, stands for Women of the Well and refers to the story of how Jesus met a woman at Jacob's well and told her everything she had ever done. She was stunned that He would even talk to her. Then, Jesus tells her He could offer her "living water" and she'll never go thirsty again. The "living water" represented eternal life that she could only get through belief in Him. She doesn't fully comprehend until He tells her that He is the promised Messiah! (John 4:4-30)

Residents live in a dormitory style setting and are required to share household, cooking and cleaning responsibilities. There is no phone contact with family or friends for the first 30 days. Residents will be eligible to receive 2 to 4 hour passes after 4 months residency and 8 hour passes after 6 months.

---

There is no cost for our services. The proceeds from our thrift stores as well as donations and monthly support from businesses, individuals, families, churches, grants and civic organizations provide our financial needs. **We require family members or third party to provide minimal financial support for resident's prescription and non-prescription costs and postage for letters. Smoking is allowed with a maximum of 3 per day.** All cigarettes are stored and given out daily. There are 3 scheduled smoke breaks per day.
